Engineering Prequalification and Agreement System

Instruction Manual

8/1/2014
Illinois Department of Transportation

Contents

1   Introduction

This is an instruction manual to help firms complete the Statement of Experience and Financial Condition (SEFC) and the Statements of Interest (SOI).

2   Disclaimer

All photos used in this manual are not indicative of an actual company or PTB/Item within the EPAS system. These photos and examples are used for **illustrative purposes only**.

3   EPAS Minimum Requirements

Minimum requirements to execute the EPAS system are listed below:
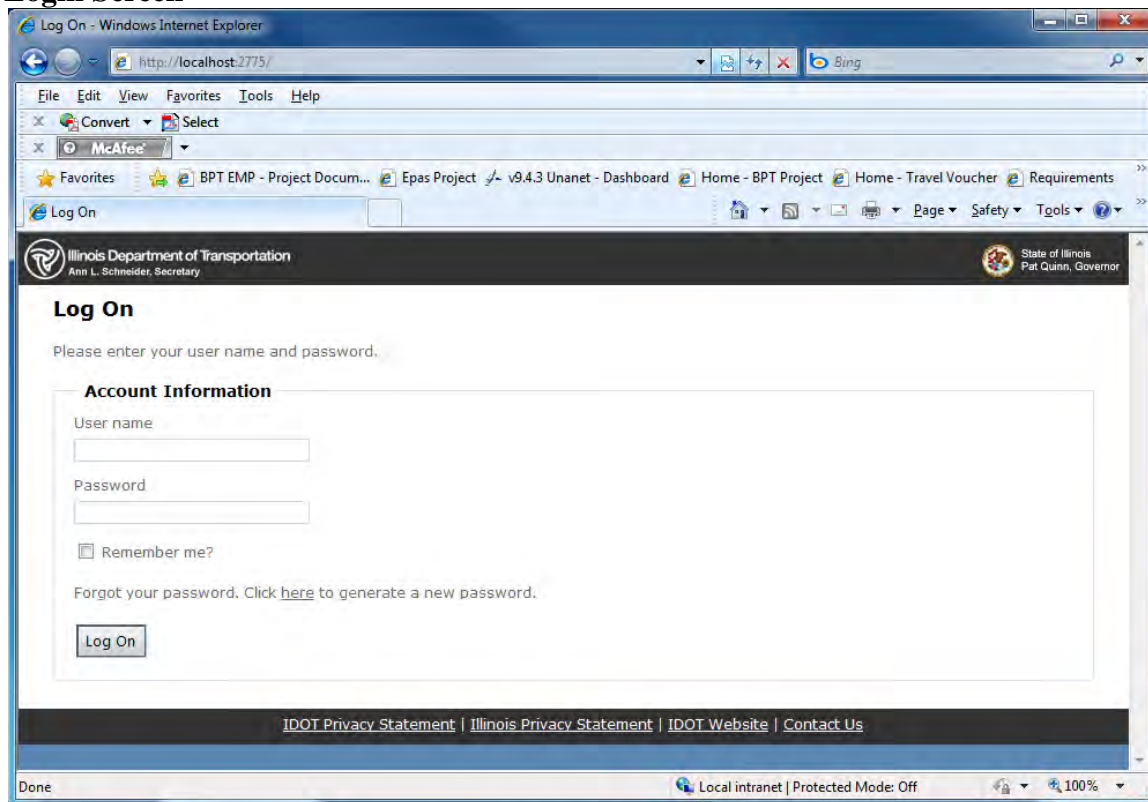

3.1   Hardware requirements

- Must have Broadband Internet Connection
- Must have Internet Explorer(IE) browser (see below setting requirements for IE)
- Must have XP or higher operating system
- Must have at least a 2GB or higher main memory
- Must be running on screen resolution of 1024 x768 or higher

3.2   Software requirements

- EPAS application will only run on Internet Explorer version 7 or higher. If you don't have IE version 7 or higher please download and install it before running the EPAS solution
- The EPAS Application needs cookies to be enabled in your browser. To enable cookies, please follow the steps below:
  1. Select the **Tools** menu on your IE Browser menu
  2. Select **Internet Options**
  3. Select the **Privacy tab**
  4. Select the **Default button** (or manually slide the bar down to 'Medium')
  5. Select the **OK** button
- The EPAS Application also needs JavaScript enabled on your browser. To enable Java Script, please follow the steps below
  1. Select the **Tools** menu on your IE Browser menu
  2. Select **Internet Options**, and then Select the **Security** tab.
  3. Select the **Internet** zone.
  4. If you do not have to customize your Internet security settings, Select Default Level and proceed to step 4. If you have to customize your Internet security settings, follow these steps:
     a. Select **Custom Level**.
     b. In the **Security Settings – Internet Zone** dialog box, Select **Enable** for **Active Scripting** in the **Scripting** section.
  5. Select the **Back** button to return to the previous page, and then Select the **Refresh** button to run scripts.
  6. Help Is available: Once Logged on, in the upper right corner select the Help Button. https://apps.dot.illinois.gov/EPAS/Home/Instructions

4   Logging On To EPAS

Login Screen

Firms that are new to prequalification with IDOT are required to request an account. Review the description and minimum requirements to determine which categories the firm would be qualified to do. Once a firm determines that it does want to become prequalified, e-mail Carrie.Kowalski@illinois.gov and indicate your interest in becoming a prequalified engineering consultant, and attach the Federal Form, W-9. Once your account has been established the following procedure can be used to log in.

- User Name : Your TIN # (FEIN) (do not use spaces or dashes)
- Password: Welcome (Initial password if new to EPAS System).
  o   Firms currently prequalified will use the TIN or additional user name(s) established by your firm and the password created by your firm.
- Select the Log On button.

* If you become locked out, e-mail Carrie.Kowalski@illinois.gov and include the User Name. A new password generated by the system will be sent to the user e-mail in EPAS. (This e-mail is established by the firm and IDOT cannot modify) For security, the password can only be sent to the e-mail established.

The following screen appears the first time logging into the EPAS system

Change Password Screen

- Enter your User Name – This will be the same user name that you entered in the above screen (if you entered your TIN #, then reenter the TIN #).
- Enter the current password – This will be *Welcome* for the first time.
- Enter your new password and confirm your new password.
- Enter your Email address. This email will be utilized by IDOT to send you password reset notification if your account is locked out due to 3 unsuccessful login failures.
- After you log in, the screen below will be displayed. This screen will display all the SEFC applications.
- **Note Password Requirement**: Password must be at least three of the following four character groups and must be a length of 7 or greater
    o English uppercase characters (A through Z);
    o English lowercase characters (a through z);
    o Numerals (0 through 9);
    o Non-alphabetic characters (!, $, #, %, @, &, *, ~)

5   EPAS Home Screen & Navigation
Select News, in the **Red** box, for information regarding consultants. Information regarding Professional Transportation Bulletins, processes etc. are posted here.

To change your password, select "Change Password" in the Blue box.

The Help Button, in **Green** box, has helpful information and links for prequalification, bulletins, etc. Selecting Help takes the user to this Screen.

EPAS Home: View of firm's with SEFC and SOI Applications

- The above screen will list all the Firm's SEFCs submitted (If this is your first time using the EPAS system, you will not see any SEFCs – see **SEFC List** without any SEFC application and all the SOIs which you have submitted.
- If you select the <u>View</u> link in the Category column (SEFC Applications grid), it will display all prequalification categories applied for, category qualification status, and comments from IDOT related to the category.
- If you select the <u>View</u> link in the Items column (SOI Applications grid), it will display all items applied for in the particular PTB, the items status and any comments from IDOT related to the item.
- If you Select the <u>View</u> link in the Additional Info column (SEFC & SOI Application grids), it will display all information, which was requested by IDOT. (This information is kept even after the additional information is received).
- If you Select the <u>SEFC ID:</u> link in the App Id column, the system will display the Corporate Profile page if your application status is IN_PROGRESS. Otherwise, the system will display a READ ONLY copy of the <u>SEFC application</u> in a different Internet Explorer window.
- If you Select the <u>SOI ID:</u> link in the PTB Id column, the system will display the SOI Home page if your application status is IN_PROGRESS. Otherwise, the system will display a READ ONLY copy of the <u>SOI application</u> in a different Internet Explorer window.

> ○ IN_PROGRESS means the application is in the firms work queue. IDOT does not have access to your application at this time.

6   SEFC Entry

SEFC List
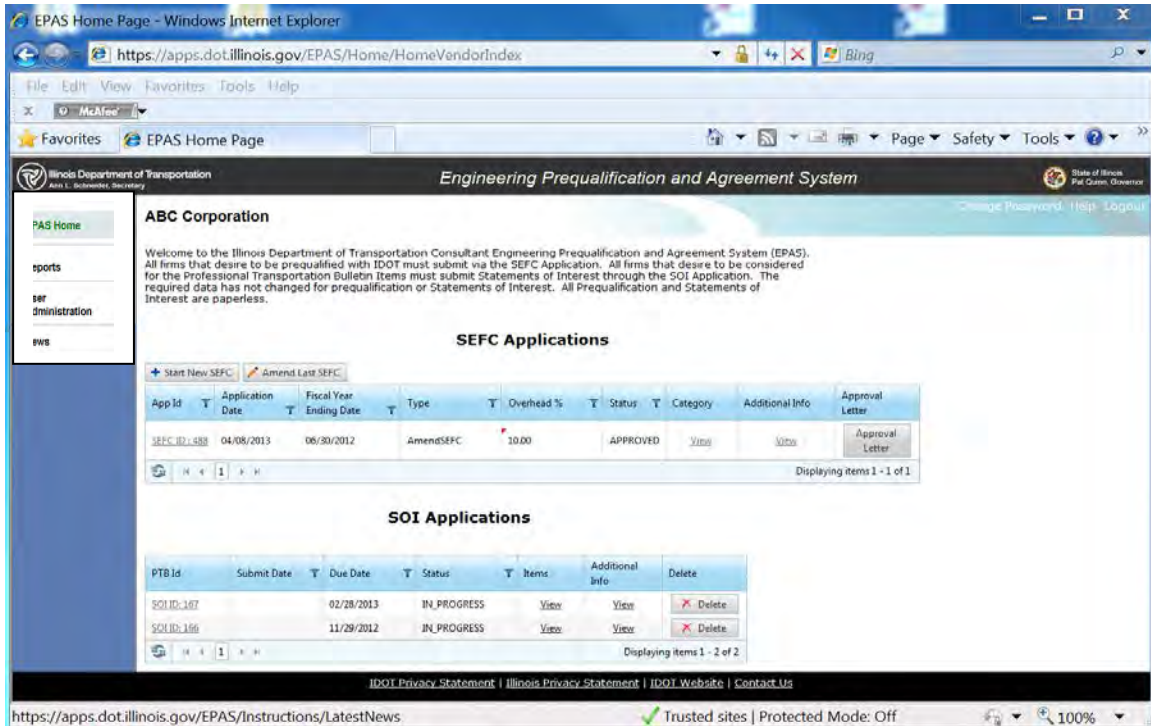

- The above screen will list all the SEFCs that have been submitted. (If the firm has not applied for prequalification before the SEFC Application will be empty.
- If you Select the <u>View</u> on the Category column, the system will display all the Categories that you have applied for and if you are qualified for the category. If you have been denied prequalification in a category, it will tell you why.
- If you Select the view on the Additional Info column, it will display all the information that was requested by IDOT, this stays with the application even after the additional information has been received.
- If you select the <u>SEFC ID: #</u> link on the App Id column, the system will display the corporate Profile page if your application status is IN_PROGRESS. Otherwise, the system will display a read only SEFC application in a different window.

6.1   SEFC Status Column

Once an application has been submitted it will go through several "Status Stages:

In Progress: The firm is working on an application. IDOT does NOT have the application & does not have access to the application until the firm submits.

Submitted: The firm has submitted the application. Until IDOT reviews and approves (status says "approved or not approved") there cannot be an additional application created. Only one active application is allowed.

Initial Review: The application has been checked out by IDOT staff to make sure the correct data is included for review. At this time, it may be returned to the firm for Additional Information.

> The firm's work queue will show, additional information is required and by selecting View under the Additional Info column, the firm can easily see the required data to be added and/or revised.

SEFC Applications

App Id	Application Date	Fiscal Year Ending Date	Type	Overhead %	Status	Category	Additional Info	Approval Letter
SEFC ID : 2556	07/29/2014	06/30/2014	NewSEFC		ADDITIONAL_INFO_REQUIRED	View	View	

> Firms have two weeks to revise the application and resubmit or they can me marked as NOT APPROVED. The application has to be submitted again, making the changes does not mean the application is back in the IDOT work queue. If the firm is able to make changes then IDOT doesn't have the application in the IDOT work queue. It must say submitted again.

Initial Review Approved: This means the correct data is in the application and the application can be reviewed by the required IDOT staff.

Ranking Process: The Requested Prequalification Categories are being reviewed.

Ranking Complete: The Review of the Prequalification Categories has been completed. Corporate and Financial Data may or may not have been completed at this time. Logon to EPAS and if there is a red triangle by the Overhead % column, audits has reviewed. Hover over the triangle and the audit comment can be seen. If there is not a triangle, the audit review has not been completed.

Example: The prequalification categories are being reviewed and the audit section has completed their review.

Example: The prequalification categories are being reviewed and the audit section has **not** completed their review.

When the application has been reviewed in its entirety, the firms status will be marked as either **Approved** or as **Not Approved**.

Once the application shows either approved or not approved, the firm can create another application.

When creating a New, Renew, or an Amend Application the EPAS system creates a copy of the last approved application for modification.

A firm shown as Not Approved is required to do a New SEFC application and is not considered prequalified until IDOT completes the review.

Firms can log into EPAS and check the status of the submittal at any time.

SEFC List shown when there has not been a SEFC submitted.

- Select the *Start New SEFC* button to create a SEFC to be submitted to IDOT. This is used for first time applicants, and every third year when the firm's Entire SEFC is due.
- The following screen will be displayed.

6.2 Corporate Profile Screen

Corporate Profile Screen

- This is the Corporate Profile Screen, which shows your TIN and your IDOT vendor number. All required fields are marked with *. The system will let you bypass required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- Fiscal year end date is specific for the firm and is the FY data of the financial information submitted not the date submitting.
- **Note for Out of State Company**: If you are an out of state company select *Out of State* from the county dropdown and the next 3 fields; District, Senate Legislative District, and Senate House District will not be shown.
- **Note for Contacts**: A main contact is mandatory. Include all branches that do work with IDOT. Please add a contact to direct prequalification questions if it is different from your main contact and a performance contact if different from Main.

  Include **COMPLETE** address, street, suite, city, state, zip, etc.
- *Save button* - This button will save the information and remain on the same page.
- You can Select *Next*- This button will save the information and navigate you to the next page – Corporate Financials.

Select *Next* and the following screen opens.

6.3   Corporate Financial Screen

- This is the Corporate Financial Screen. This screen is only accessible by a user that has access to your company's financial data (See here to see instructions on adding users to the company with Financial or non-financial roles).

  - Question 1 – If yes, then attach your Cognizant audit by a State or Federal Agency. A Private company or independent CPA audit **is not** accepted as a State or Federal Agency Audit.
  - Question 2 – If yes, then attach your financial data for the 6, or more months, and our auditors will give you an overhead rate.
  - Question 3 – If yes, attach your Prevailing Rate Schedule.
  - Question 4 – If yes, you must attach your last fiscal year taxes, or 6 month tax extension if your taxes have not yet been completed; chart of accounts, and the reimbursement statement, which is your overhead rate calculations (See example below).
  - All attachments must be attached in the proper space, or applications could be returned.

Reimbursement Statement/Overhead Rate Example ONLY

SAMPLE CONSULTING COMPANY, Inc.
Statement of Direct Labor, Fringe Benefits, and General Overhead
For the Year Ended December 31, 201x

Account Number & Description	General Ledger Account Balance	Direct Costs	Disallowed Costs		Proposed Company Wide	% of Direct Labor
DIRECT LABOR	$ 1,950,501	$ 1,950,501	$ –		$ 1,950,501	100.00%
INDIRECT COSTS:						
FRINGE BENEFITS						
6300 Benefits: Bonuses	$ 234,060	$ –	$ (28,560)	(a) $	205,500	10.54%
6310 Benefits: 401(k)	97,525	–	–		97,525	5.00%

TOTAL GENERAL OVERHEAD	$ 1,983,306	$ (348,555)	$ (192,247)		$ 1,442,505	73.96%
TOTAL INDIRECT COSTS & OVERHEAD RATE	$ 3,059,593	$ (348,555)	$ (221,607)		$ 2,489,431	**127.63%**

FAR References and Notes:
(a) 31.205-6(a)(6)(ii)(B): Owners' compensation in excess of reasonable amount is disallowed (distribution of profits).
(b) 31.205-19(e)(2)(v): Officers' life insurance is disallowed.
(c) 31.201-6(e)(2): Marketing, lobbying, and any labor associated with unallowable activities is disallowed.
(d) 31.202: Excluded direct project costs (both billable & non-billable costs) from indirect cost pool.
(e) 31.205-1: Costs for general marketing materials are disallowed.
(f) 31.205-6(m)(2) & 31.205-46(d): Personal use of a company asset (automobile) is disallowed.
(g) 31.205-8 & 31.205-13(b): Contributions and gifts are disallowed.
(h) 31.205-22: Lobbying costs, paid as a percentage of professional dues, are disallowed.
(i) 31.205-20: Interest is disallowed.
(j) 31.205-14 & 31.205-51: Costs for entertainment and alcoholic beverages are disallowed. (The entertainment cost principle supersedes all others.)
(k) 31.201-4, 31.205-15, & 31.205-20: Disallowed late fees; Government-imposed fines and penalties; and credit card interest.
(l) 31.205-36(b)(3): Related-party rent (not an arm's-length transaction) is limited to actual cost of ownership, net of interest and other unallowable items.
(m) 31.202: Direct costs segregated and removed from indirect cost pool.

- You can Select *Save* - This button will save the information and remain on the same page.
- You can Select *Next* - This button will save the information and navigate you to the next page – Staff.
- You can Select *Previous* – This button will save the information and navigate you to the previous page – Corporate Profile Page

Select *Next* and the following screen opens.

6.4 Staffing Screens

Summary of Staff

- This is the Staff Summary Screen. It should contain all of the firm's **transportation** staff. To add Staff, Select the *New Staff* button.
- **Note**: Please include all transportation staff that will be required/used for Prequalification Categories, leads and support staff. The questionnaires for prequalification will draw from the staff entered here. (review the environment section contained in this manual for Sub Staff entry.)
- Select the *New Staff* button and the following screen is displayed.

Create Staff Screen

- Enter the First Name, Last Name and the Title; the Create Staff Button will be enabled. Select the *Create Staff* button and the Staff Detail page will be presented.
- Click *Create Staff* button and the following screen is displayed.

Staff Detail Screen

- Enter all the required fields. The system will let you bypass the required fields for now. The required fields must be entered before you submit the SEFC to IDOT. The system will not allow submittal until they are completed. Select *Save and return to Staff* button and you will see the new staff displayed in the Staff Summary Page.

Note: Classification is based on the company naming conventions, and the salary is a range for the classification, not the person's specific salary.

For example:
 Classification: Technician- Level A, $11 to $30
 or
Classification: Technician Level C, $25 to $45

- Select Save *and return to Staff* and the following screen is displayed.

Staff Summary with New Name added

- You can Select *Save* - This button will save the information and remain on the same page.
- You can Select *Next* - This button will save the information and navigate you to the next page – Corporate Detail Page.
- You can Select *Previous* – This button will Save the information and navigate you to the previous page – Corporate Financial Page.

Note: Annual Fee Capacity (AFC) is determined by IDOT. The Consultant does not include. The annual fee capacity is based on the technical transportation staff entered. The Design and Environment Chapter 8-Section 2.02 Prequalification of Consultants addresses the AFC calculation: http://www.dot.il.gov/desenv/bdemanual.html

Select *Next* and the following screen is displayed.

6.5   Corporate Detail Screens

- This is the Corporate Details Screen.
- You can Select *Save* - This button will save the information and remain on the same page.
- You can Select *Next* - This button will save the information and navigate you to the next page – Prequalification Category.
- You can Select *Previous* – This button will save the information and navigate you to the previous page – Staff Page.

Engineering Prequalification and Agreement System

For entering persons not listed on staffing page (people that will not be transportation staff), but are owners or other staff not doing transportation work, Select New Staff and when it asks if they are staff, say no. The question is asking if they are transportation staff. This can also be used if the firm is owned by another entity:

For instances of firm being owned by another firm, under Share Holders, Subsidiary etc., wherever applicable include something similar to:

Select *Next* and the following screen is displayed.

6.6   Prequalification Category Screen
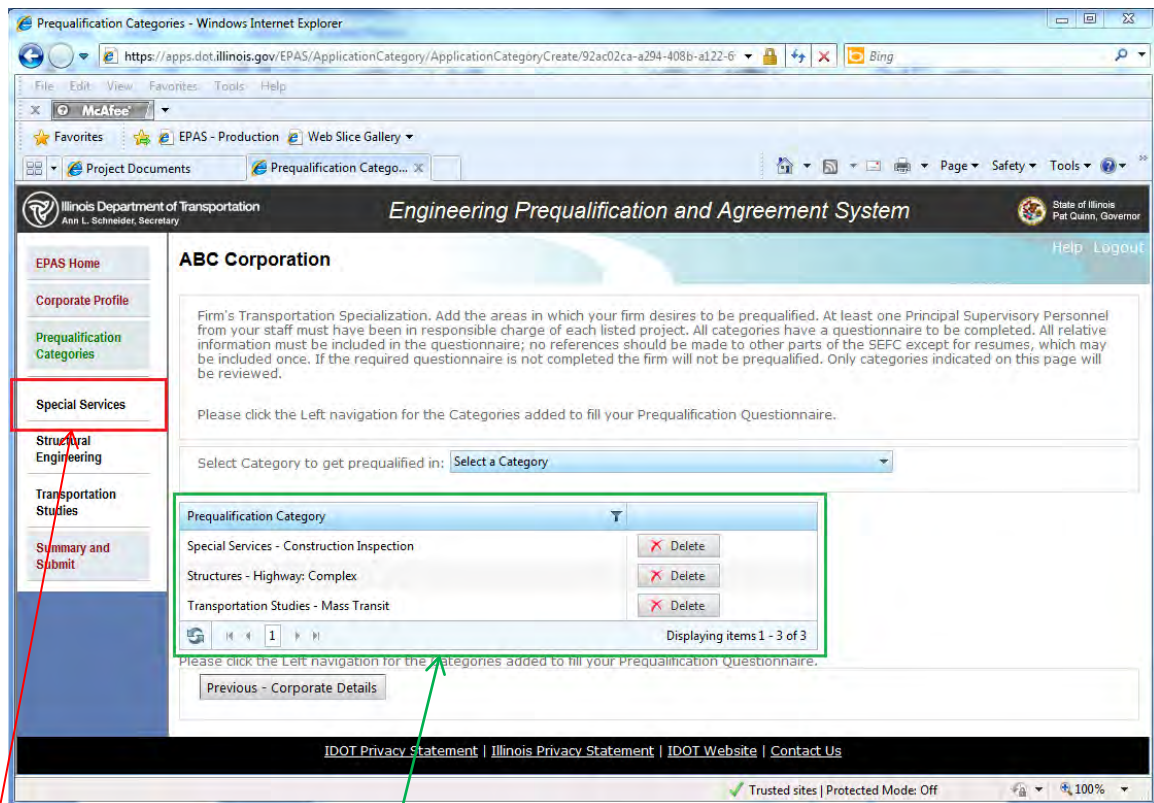

- This is the Prequalification Category page. Select the Prequalification category and Select the *Add Category* button. The added Category will appear in the table (highlighted in **Green Box**).
- The Menu item for the category you added will be displayed on the Left Menu. (See **Red Box** above.)
- Select the general category from the Left Menu and the Questionnaire for the categories under the heading will be displayed as depicted below.

Questionnare for Special Service – Construction Inspection Prequalification Category

Other categories under the heading appear at the bottom of the page:

Completing Questionnaires

- Include all the information requested in the Questionnaire, this is the information IDOT will view to prequalify your company. Only list information relevant to that category.
- Most of the questionnaires are set up in the same format. From the submittal, IDOT needs to be able to tell who was in charge, what everyone(lead/staff) did, and how much of the project was completed by the firm and staff.

Each of the categories has a drop down listing the acceptable years of completion. ON GOING PROJECTS ARE NOT CONSIDERED. Completion is for the category being completed, for example, Roads & Streets is considered complete when the project plans are ready to go to letting. Survey when the survey is complete. Location Design Studies when the Project Report is complete.

Overall general description:

Scope is the specific thing the firm did or staff did. This information must pertain to the category being requested, don't repeat the whole project, or include information for other categories. For example, if you are requesting Roads and Streets, use. If you are requesting Traffic Signals, use

There are projects in which the staff and firm experience would be the same. If this is the case under the general description for the category, it can be referenced to something similar to this:

- This project is also listed under Joe Smith's experience

- For Staff, this project is also listed under firm experience

For categories that do build on each other, for example Location Design Studies, rehabilitation, reconstruction and then new construction Or Hazardous Waste Simple/Advanced.

Each category the firm is interested in being considered to do would have to be selected in EPAS. (See below, all levels selected)

If applying for all three, under Rehabilitaion and under Reconstruction/Major Rehabilitation note under the questionnaires that the data is listed under the New Construction questionnaire. Include under Highest Level of Complexity for the category.

You cannot reference other projects under different categories. Do not say under traffic signals the information is under the roads and streets categories, you will be denied.

Final step is submitting the application.

6.7 Summary and Submit Screen

- When ready to submit your application to IDOT, Select the *Summary and Submit* menu. (See red box highlighted in above screen.) This screen will display all required information that has not been answered and is required by IDOT in order for you to submit.
- By Selecting the hyperlink (depicted above in the green box), the system will take you to the appropriate page to fix the errors.
- You can Select the *Export to CSV* button to list the errors in a document and print it out in an excel spread sheet.
- Once all the errors are resolved, the Check box – "I declare that I have….." will be enabled. Check this acknowledgement box and the Submit button will be enabled.
- Select the *Submit* button to submit your application to IDOT. A message box will be displayed informing you that after submittal you will not be able to edit the SEFC application. Please make sure all information is accurate before submitting.

7   When and What to Submit: Start New; Renew; or Amend

All firms are required to submit their SEFC on an annual basis, with the due date being 6 months after the end of the firms Fiscal Year. Firms are required to submit a New SEFC every third year based on the firm's name. See chart below on when a New or Renew SEFC is due. Not submitting by the required due date will result in the firm being NOT Approved.

Amend SEFC is used anytime there are changes that need to be made to a previous submittal.   Following are a few examples of an Amend SEFC:
- Contact information changes, phone, e-mail, addresses
- Staffing changes that affect firms prequalification and/or annual fee capacity(When deleting staff, the staff must first be deleted from questionnaires before being deleted from Staff area)
- Updating Insurance
- If an extension was used in supplying tax information and the completed tax return needs to be entered.
- Requesting additional and/or re-applying for a prequalification categories.

New SEFC is a complete submittal. All information is updated and all categories reviewed. (This is every three years). For firms currently prequalified most data is carried over into the new application.

Renew is for the corporate and financial data, such as the firm's licensing, insurance, and overhead rate data. The Categories and staffing are **not** reviewed during the Renewal submittal.

Important! If staffing and categories updates are needed they should be done through an amend option not at the renewal time because the system doesn't recognize these changes.

THE YEAR SHOW IS WHEN THE EPAS SUBMITTAL IS DUE							
Firm Name Beginning with:	2013	2014	2015	2016	2017	2018	2019
A - E	NEW	RENEW	RENEW	NEW	RENEW	RENEW	NEW
F - N	RENEW	NEW	RENEW	RENEW	NEW	RENEW	RENEW
O - Z	RENEW	RENEW	NEW	RENEW	RENEW	NEW	RENEW

Before submitting, make sure the following are correct:
- Fiscal Year Ending Date
- Financial data is for the correct Fiscal Year
- Secretary of State Certificate, or form showing the firm is in good standing, must be less than 1 year old.

- Firms Illinois Professional License – This must be current (not expired), and must be an actual copy of the license. No other documentation is accepted.
- DBE certificates or No Change Letter affidavits must be less than 1 year old.
- Insurance dates must be current.

If any of the above attachments are not correct, your submittal will be returned. The information can then be updated, then select summary submit to send back to IDOT.

8 Start New SEFC

- Select the Start New SEFC button
- Progress through entire application and fill in all information that has been erased (financial data for previous fiscal year), or that has changed since your last submittal

- Update questionnaires by adding jobs that have been completed since last submittal and remove all jobs that are outside of the allowable time-frame. Job dates are for completions for a specific category and should not be modified. If it was completed in 2010, it should not be completed in 2011 now. Projects not completed and are ongoing are not considered.
- To Delete Staff, you first must remove that individual from any questionnaires the individual was used for prequalification. When removed from the questionnaires, the person can be deleted from the Staffing section.

By selecting the last column, Staff Categories, it will display for that individual all the prequalification categories they are listed in as staff. For example, Jane Jones is shown.

- At the Summary and Submit page, make sure to check the box and hit the submit button. Saving it does not submit the application. If the status says in progress, it is in the firm's work queue. When the status says submitted it is in IDOT's work queue and the firm will not have access to the application until IDOT completes the review.

Summary and Submit screen:

Screen shot of view when Not submitted to IDOT

9   Renewing a SEFC: Corporate and Financial Data annually updated.

- Select the *Renew SEFC* button. This is used annually when only the Corporate and Financial portion of the SEFC is required.
- Progress through entire application and fill in required information.
- Renew is for the corporate and financial data, such as the firm's licensing, insurance, and overhead rate data. The Categories and staffing are **not** reviewed during the Renewal submittal.

- **Important!** If staffing and categories updates are needed they should be done through an amend option not at the renewal time.   The system doesn't recognize those changes and staff is not aware of the changes to review. (we are reviewing this issue in house)

- At the Summary and Submit page, make sure to check the box and hit the submit button. Saving it does not submit the application. If the status says in progress, it is in the firm's work queue. When the status says submitted it is in IDOT's work queue and the firm will not have access to the application until IDOT completes the review.

Screen shot of view when Not submitted to IDOT

ABC Corporation

Welcome to the Illinois Department of Transportation Consultant Engineering Prequalification and Agreement System (EPAS). All firms that desire to be prequalified with IDOT must submit via the SEFC Application. All firms that desire to be considered for the Professional Transportation Bulletin Items must submit Statements of Interest through the SOI Application. The required data has not changed for prequalification or Statements of Interest. All Prequalification and Statements of Interest are paperless.

SEFC Applications

App Id	Application Date	Fiscal Year Ending Date	Type	Overhead %	Status	Category	Additional Info	Delete	Approval Letter
SEFC ID : 1131	05/17/2013	12/31/2012	AmendSEFC	137.19	IN_PROGRESS		View	✕ Delete	

10 Amending a SEFC

- Select the *Amend Last SEFC* button. This is used when changes are required outside of the annual submittal. Following are examples of possible changes: Address change, contact info, update insurance, seek additional prequalification, staffing update, etc…
- The screen below will be displayed

- If you were previously denied prequalification in a category, it will show that category, and ask if you want to re-apply.
- If you want to re-apply, check the box next to that Category. If you do not that information will be deleted.
- You then must type what has been amended, i.e. staff update, address change, requesting prequalification in (name category). Please note that we only review what we are notified of, i.e. the information included in the amended text. This space is to briefly explain what is being revised. Do not ask questions or include the entire revision in this location. The application will be returned. The revisions are required to be included in the actual application.
- Select the submit button and the screen below will be displayed

- To make the changes, Select the SEFC ID.
- To Delete Staff, you first must remove that individual from any questionnaires that the individual was used for prequalification. When that has been done, you can delete that individual from the Staffing area.
- When all changes have been made, go to Summary and Submit as you would with Start New SEFC, check box and hit the submit button. If you just save it, it will not be submitted.
- See submittal process for New and Renew SEFC.

11 SOI Entry

SOI List without any SOIs

- Select the **Start SOI #:** button (buttons(s) are available for only active PTBs) to create a SOI to be submitted to IDOT.
- Note, all signatures are required to be actual signatures, print, sign, and convert to adobe pdf and then attach.
- The screen below will be displayed (SOI Home Screen).

SOI Home Screen

- This is the Statement of Interest (SOI) Home screen. From here you can fill out and download various PTB related forms, select and apply for specific items and submit the entire SOI when complete.
- **IMPORTANT NOTE:** The current EPAS Server date and time is displayed in the upper right hand corner. The time listed will be accurate **within 45 seconds** of the actual EPAS Server time. Once the EPAS System Date/Time has surpassed the SOI Due Date + Submission time, you **will no longer be able to submit** the SOI for this item. It is the firms' responsibility to make certain everything is submitted by the due date, **NO EXCEPTIONS** will be made.
- **Note:** The file naming conventions used for all attached files are left to the discretion of the firm. The only stipulation is all files attached **must be** in Adobe Acrobat .PDF file format.
- **Note Current Obligations:** Link is only accessible by a user that has access to your company's financial data (Click here for instructions to add user(s) to your company with Financial or Non-Financial roles).
- **Note:** The Items, which your firm has all the prequalification for, are listed with an **X** in the Qual column. You may apply for items in which your firm is not

prequalified, but you will be required to file an amended SEFC for the missing prequalification categories to be considered for the item. Missing prequalification's categories for the item are listed in the Missing Prequalification's column. If the required prequalification categories are not obtained, the firm will not be considered for the item. Review the BDE Manual Chapter 8 for details.

- **Note**: For your convenience, a listing of your firm's current prequalifications is displayed in the Firm Qualifications grid.

- You can Select [Save] (this button will save the information and remain on the same page).

- You can Select [Forms] (this button will save the information and navigate you to the next screen – Forms.

- If you Select the # link in the Item column, the system will display the text from the actual advertisement in a different Internet Explorer window.

- Select the items which you wish to apply for by placing a checkmark in each box and then Select the [+ Insert selected PTB items] button. The item(s) are now displayed in the bottom grid.

- Select an ITEM ID: link to begin entering item specific information.

11.1 SOI Screens

- The SOI Screens listed below must be completed in their entirety for the SOI. These screens only need to be filled out one time for each SOI.
- **Note**: Part of the Forms, the entire Current Obligations and part of the Attachments screen is only accessible by a user that has access to your company's financial data (See here to add users to your company with Financial or Non-Financial roles).
- **IMPORTANT NOTE**: Please make certain you have applied for all items and have them completed in their entirety before printing the Delinquent Debt Certification on the Attachments page.

Forms Screen

- The Forms screen provides links to various forms the firm will be required to fill out. The firm will also provide contact information for IDOT for the various Financial and Non-Financial pieces of the SOI. All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- If your Financial and Non-Financial representatives in the office are the same individual, you can Select the [Copy to non-financial] button.
- **Note**: The Financial Representative section is only accessible by a user that has access to your company's financial data (See here to add user to your company with Financial or Non-Financial roles).
- You can Select [Save] – this button will save the information and remain on the same page.
- You can Select [SOI Home] – this button will save the information and navigate you to the previous screen – SOI Home Screen.

- **Special Note**: Based on your current user role (Financial or Non-Financial) you will see one of the two buttons below.

- You can Select [Current Obligations] – this button will save the information and navigate you to the next screen – Current Obligations. Note: You will only see the Current Obligations button on <u>this</u> screen if you are a Financial User.

- You can Select [Delinquent Debt] – this button will save the information and navigate you to the next screen – Delinquent Debt. Note: You will only see the Delinquent Debt button on <u>this</u> screen if you are a Non-Financial User.

- The screen below will be displayed if you Select [Current Obligations] button (if available based on role), otherwise Select [Delinquent Debt] and skip to the Delinquent Debt section below.

Current Obligations Screen

- This is the Current Obligations screen, which allows the firm to enter all current IDOT work, all work by your firm for other than IDOT and any Phase III work.

These are entered as 000's. Entering in the entire number carries over into reports the selection committee uses. **If it's one million, enter in 1000 not 1,000,000.**

- **Note**: The Current Obligations Screen is only accessible by a user that has access to your company's financial data (See here to add user to your company with Financial or Non-Financial roles).

- You can Select | Save | – this button will save the information and remain on the same page.

- You can Select | Forms | – this button will save the information and navigate you to the previous screen – Forms.

- You can Select | Delinquent Debt | – this button will save the information and navigate you to the next screen – Delinquent Debt.

- The screen below will be displayed if you Select | Delinquent Debt | button.

Delinquent Debt Screen

- This is the Delinquent Debt screen, which displays all subconsultants used and the Item numbers, which the subs will be utilized. This screen is purely for informational purposes only and no data entry is required. Please make sure to validate all the required subconsultants the firm is using are listed and the Item numbers they are used on are correct.

- **Note**: As you add a subconsultant firm on the Exhibit A screen for an item, they will be listed then on this screen. This screen is a running total of all the subconsultant firms used, in all items you have applied for, and which item numbers you used those firms with.
- You can Select [Save] – this button will save the information and remain on the same page.
- **Special Note**: Based on your current user role (Financial or Non-Financial) you will see one of the two buttons below.
- You can Select [Current Obligations] – this button will save the information and navigate you to the previous screen – Current Obligations. Note: You will only see the Current Obligations button on <u>this</u> screen if you are a Financial User.
- You can Select [Forms] – this button will save the information and navigate you to the previous screen – Forms. Note: You will only see the Forms button on <u>this</u> screen if you are a Non-Financial User.
- You can Select [Attachments] – this button will save the information and navigate you to the next screen – Attachments.
- The screen below will be displayed if you Select [Attachments] button.

Attachments Screen
- This is the Attachments screen, which allows the firm to attach all required forms related to the Statement of Interest. Note: Exhibit A is attached within each item on the Project Experience screen.
- **Note**: Consultant's Disclosure, Form A & Form B (BDE DISC2 Template) form is only accessible by a user that has access to your company's financial data (See here to add user to your company with Financial or Non-Financial roles). Form BDE DISC2 Template needs to be completed, scanned, and attached as one form (PDF). If

a firm has a potential conflict, the last page should summarize the finding(s) and include the page number(s).

- You can Select Save – this button will save the information and remain on the same page.
- You can Select Delinquent Debt – this button will save the information and navigate you to the previous screen – Delinquent Debt.
- This concludes all the required screens for SOI specific documents.

- Please Select the SOI Home on the left hand navigation menu.

11.2 Applying for an Item

- Applying for an Item(s) is done from the SOI Home page screen. You can select one or multiple items at a time to add. The Items screens are not available until you have at least added one Item to apply for.

Item Selection Screen (SOI Home Screen)

- This is the Item selection screen (also known as the SOI Home Screen). This screen will allow you to select the Items from the PTB publication, which your firm wishes to apply for consideration. You can add Items one at a time or multiples at once. You may also delete an Item if you are no longer interested in applying for it.
- Select the items which you wish to apply for by placing a checkmark in each box and then Select the [+ Insert selected PTB items] button. The item(s) are now displayed in the bottom grid.
- Select an <u>ITEM ID:</u> link in the Item Id column to enter into the Item specific screens for that Item number. The link will take you to the Firm Interest and Photos screen to begin entering Item related information.

11.3 SOI Item Screens

- The SOI Item Screens listed below must be completed in their entirety for each item the firm wishes to apply for. You **will not be allowed** to submit the application multiple times, so be certain you apply for all items you are interested in before final submission.

Firm Interest & Photos Screen
- This is the Firm Interest & Photos screen, which shows the PTB and Item number and your IDHR Number (If your firm has one). All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- If you Select the PTBItem: link in the Statement of Interest header, the system will display the text from the actual advertisement in a different Internet Explorer window.
- You can Select ⬚Save⬚ – this button will save the information and remain on the same page.
- You can Select ⬚Exhibit A⬚ – this button will save the information and navigate you to the next screen – Exhibit A.
- The screen below will be displayed if you Select ⬚Exhibit A⬚ button.

Exhibit A Screen

⭐ Teaming is the action of joining forces with another consultant to submit on a Professional Transportation Bulletin as a Prime. When submitting as a team, the collective prequalifications of the team are used to determine eligibility, prequalification categories, evaluation history, and capacity. The Lead firm submits the SOI and it is the responsibility of the Team to meet the prequalification requirements. Note EPAS recognizes only the Leads Prequalification Categories, not the entire team. Statements submitted by Teams may be considered unless specifically prohibited in the advertisement. The firms submitting as a Team are required to obtain and submit the Team agreement, signed by all parties. The Team Agreement must be included with the statement of interest. (Include teaming agreement under Project Experience, 4.) IDOT **DOES NOT** have a form for Team agreements.
- Above is the Exhibit A Screen. This screen will allow you to enter in Teaming Projects (if allowed) and all Subconsultants and Other Firms, which are required for the item. All required fields are marked with *. The Teaming agreements should be entered under 4, as shown above.
- The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- **Note:** When entering Teaming Projects, the lead firm must be the firm submitting for the item on behalf of the other firms. The other firms, which are part of the Team, DO NOT apply for the same item on their SOI. All firms, which are part of the Team, are required to open a separate SOI for the PTB and at least complete the following screens (Forms, Current Obligations, Attachments & Summary and

Submit). This must also be submitted to IDOT by the SOI Due Date. If the other team members are applying as a prime on a different Item then the forms will have already been submitted and the forms do not have to be submitted again.

- Entering consulting firms you intend to use with an item is easy. Simply select either one of many IDOT prequalified firms from the IDOT Prequalified Firms grid, and/or manually enter non-prequalified firms in the Other Firms grid. Later on the Exhibit A Staffing screen, you will enter the staff you intend to use from these firms. You must enter these firms first before attempting to add staff to the Exhibit A Staffing page.

- The lead prime and other team members are responsible for coordinating their team. Once the lead does <u>submit</u> their application, the Team members are automatically e-mailed, via EPAS, to submit all required forms. Firms are e-mailed regardless of having submitted the forms or not. This is a verification that the lead has submitted and that you are a member of the team and are required to submit data.

Mentor-Protégé

- Note: When selecting a Mentor-Protégé firm from the –Select New Protégé Firm– drop down box, the firm **must be** a DBE and **must** have already been selected in the IDOT PreQualified Firms grid. If both of the above criteria have not been met, the firm will not appear in the drop down box.

- You can **Select** | Save | – this button will save the information and remain on the same page.

- You can **Select** | Firm Interest & Photos | – this button will save the information and navigate you to the previous screen – Firm Interest & Photos.

- You can **Select** | Exhibit A Staffing | – this button will save the information and navigate you to the next screen – Exhibit A Staffing.

The screen below will be displayed if you Select | Exhibit A Staffing | button.

Exhibit A Staffing

- This is the Exhibit A Staffing Screen **Main Staff tab**. This screen contains two tabs which allow you to enter all staff which you intend to use on this item. The Main Staff screen allows you to enter the following personnel (Project Manager, Project Engineer, QC/QA Roadway and QC/QA Structures) needed for the item. All required fields are marked with *. The system will not allow you to bypass certain required fields on pop-up windows within this screen. The required fields must be completed before the system will allow you to submit to IDOT.
- The most common QC/QA is Roadway and Structure, if a QC/QA is requested for another work item, example surveying, you can include under Roadway or under the **Other Required Key Staff** tab.
- **Note**: The Prime or Team Only grids will allow you to select and assign staff from your most current approved SEFC. Do to confidentiality reasons, IDOT cannot show staff members from any subconsultant firms you use.
- **Note**: The system will not allow you to enter personnel into a grid until the firm(s) from which the individuals come from have been added on the Exhibit A screen.
- **Note:** A Project Manager is required (only one allowed) and he/she must come from the prime firm, or in case of a Team, he/she can come from any of the firms which are part of the Team. This requirement must be completed before the system will allow you to submit to IDOT.
- **Note**: All staff which are entered require an attached resume which must be in Adobe Acrobat PDF format. The system will not allow you to attach any other file format.
- You can Select the <u>View</u> link next to the Resume field to display the attached resume of the individual.
- You can Select Save – this button will save the information and remain on the same page.
- You can Select Exhibit A – this button will save the information and navigate you to the previous screen – Exhibit A.
- You can Select Exhibit B – this button will save the information and navigate you to the next screen – Exhibit B.

The screen below will be displayed if you Select Other Required Key Staff tab.

Other Required Key Staff

- This is the Exhibit A Staffing Screen **Other Required Key Staff tab**. This screen allows you to enter all remaining staff you will use on the item. All required fields are marked with *. The system will not allow you to bypass certain required fields on pop-up windows within this screen. The required fields must be completed before the system will allow you to submit to IDOT.

- **Note**: The Prime or Team Only grids will allow you to select and assign staff from your most current approved SEFC. Do to confidentiality reasons, IDOT cannot show staff members from any subconsultant firms you use.
- **Note**: The system will not allow you to enter personnel into a grid until the firm(s) from which the individuals come from have been added on the Exhibit A screen.
- **Note**: All staff which are entered require an attached resume which must be in Adobe Acrobat PDF format. The system will not allow you to attach any other file format.
- You can Select the <u>View</u> link next to the Resume field to display the attached resume of the individual.
- You can Select Save – this button will save the information and remain on the same page.
- You can Select Exhibit A – this button will save the information and navigate you to the previous screen – Exhibit A.
- You can Select Exhibit B – this button will save the information and navigate you to the next screen – Exhibit B.
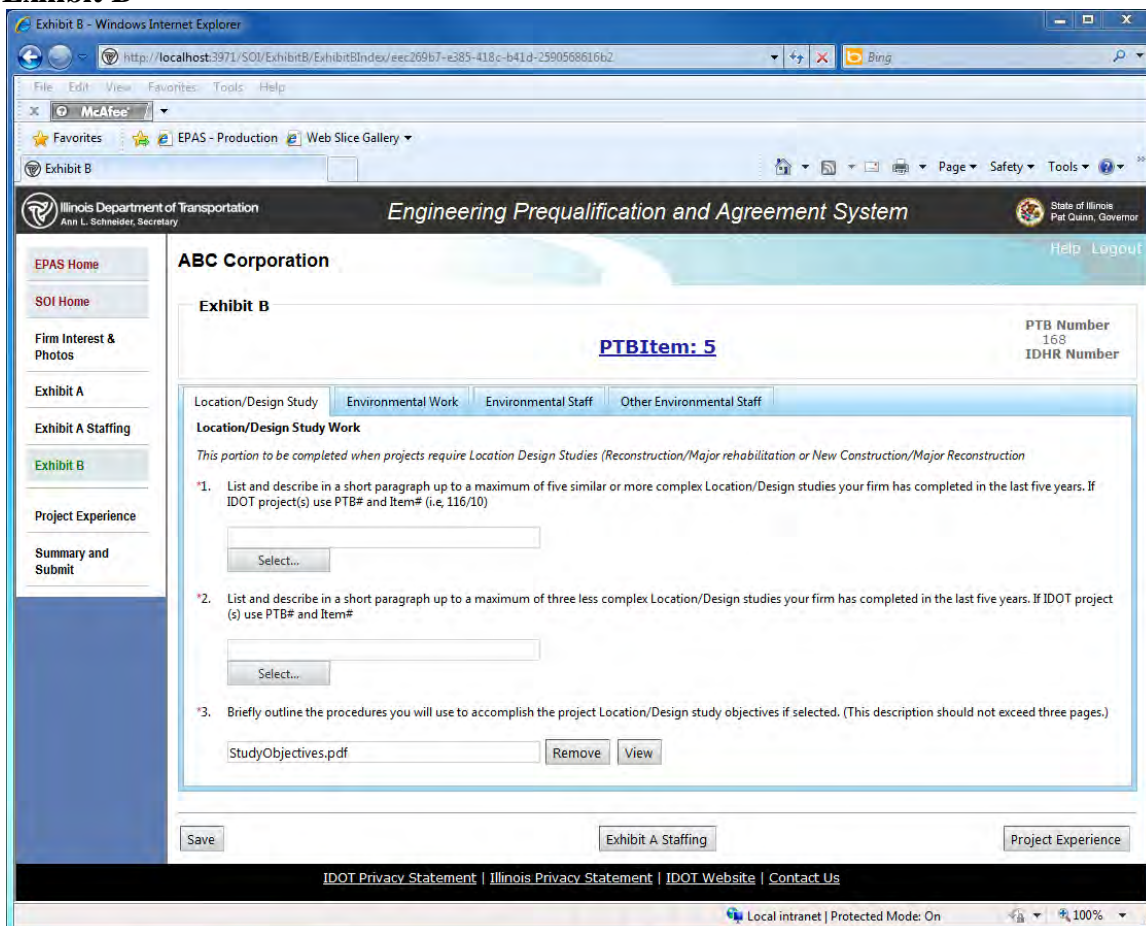

The screen below will be displayed if you Select Exhibit B button.
Exhibit B will only display when required. If not shown it is not required.
Exhibit B

- This is the Exhibit B Screen, which is comprised of four tabs (Location/Design Study, Environmental Work, Environmental Staff and Other Environmental Staff). This screen, and certain tabs, is only accessible if the item requires Location Design Studies (Reconstruction/Major Rehabilitation or New Construction/Major Reconstruction) or Environmental Reports (Environmental Assessment or Environmental Impact Statements). This system is intelligent and will only display the required tabs, which need to be completed for the item.
- The above is the Exhibit B Screen Location/Design Study tab. This screen allows you to attach Adobe Acrobat PDF files describing similar work and procedures to accomplish the Location/Design studies objectives. All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- **Note**: If the project doesn't contain Location Design Studies or Environmental Reports the following screen below will appear.
- You can Select Save – this button will save the information and remain on the same page.
- You can Select Exhibit A Staffing – this button will save the information and navigate you to the previous screen – Exhibit A Staffing.
The screen below will be displayed if you Select Environmental Work tab (See Environmental Work section).

Exhibit B
Exhibit B is required when Environmental Assessment, Environmental Impact Statements, Reconstruction/Major Rehabilitation, and/or New Construction/Major Reconstruction are required as a prequalification category. If these categories are not required, Exhibit B is not required and it is so indicated in EPAS. The Exhibit B will not show as an option.

Exhibit B Not Required
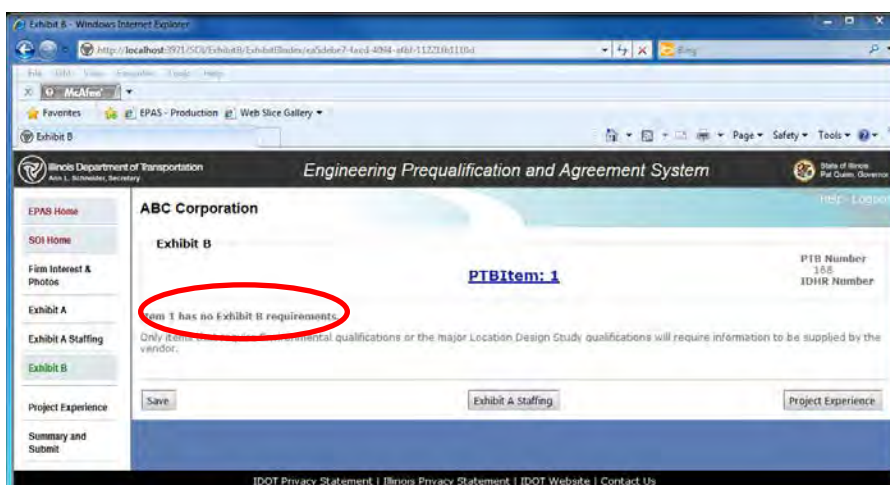

Environmental Work Screen in Exhibit B

- The above is the Exhibit B Screen Environmental Work tab. This screen allows you to attach Adobe Acrobat PDF files describing completed environmental reports, issues, plan and environmental staff incorporation into the study. All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- **Note**: This screen will only appear if the item applied for contains Environmental Reports (EA or EIS).
- You can Select [Save] – this button will save the information and remain on the same page.
- You can Select [Exhibit A Staffing] – this button will save the information and navigate you to the previous screen – Exhibit A Staffing.
- The screen below will be displayed if you Select [Environmental Staff] tab.

Environmental Staff Screen

- The above is the Exhibit B Screen Environmental Staff tab. This screen allows you to list all individuals who will be responsible for the applicable environmental issue areas. All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- You can Select the View link next to the Resume field to display the attached resume of the individual.
- **Note**: This screen will only appear if the item applied for contains Environmental Reports (EA or EIS).
- **Note**: The Environmental Lead **must** come from the firm selected in the Firm Name dropdown box. All other listed staff can come from the same firm or different firms.
- You can Select [Save] – this button will save the information and remain on the same page.

- You can Select ![Exhibit A Staffing] – this button will save the information and navigate you to the previous screen – Exhibit A Staffing.

- The screen below will be displayed if you Select ![Other Environmental Staff] tab.

Other Environmental Staff

- The above is the Exhibit B Screen Other Environmental Staff tab. This screen allows you to list all individuals who will be responsible for the applicable environmental issue areas, which are not required. This includes the following areas (Cultural Resources, Geology, Agriculture, Air Quality and Special Waste). All required fields are marked with *. The system will not allow you to bypass certain required fields on pop-up windows within this screen. The required fields must be completed before the system will allow you to submit to IDOT.
- You can Select the View link next to the Resume field to display the attached resume of the individual.
- **Note**: This screen will only appear if the item applied for contains Environmental Reports (EA or EIS).

- You can Select Save – this button will save the information and remain on the same page.
- You can Select Exhibit A Staffing – this button will save the information and navigate you to the previous screen – Exhibit A Staffing.
- You can Select Project Experience – this button will save the information and navigate you to the next screen – Project Experience.
- The screen below will be displayed if you Select Project Experience button.

Project Experience Screen

- This is the Project Experience Screen. This screen will allow you to attach a summary of staff experience, a summary of additional requested information in the project advertisement and a signed copy of the Consultant's Exhibit A. All required fields are marked with *. The system will let you bypass certain required fields initially. The required fields must be completed before the system will allow you to submit to IDOT.
- **Note**: You must Select the **Print** button on the Consultant's Exhibit A and print the form before the system will allow you to attach the signed copy. Please make

certain to sign the form and then convert the signed form to an Adobe Acrobat PDF file for attachment.

- You can Select [Save] – this button will save the information and remain on the same page.

- You can Select [Exhibit B] – this button will save the information and navigate you to the previous screen – Exhibit B.

- This concludes all the required screens to successfully apply for an item. You must fill these screens out for **EACH** item, for which you are applying. Please return to the SOI Home page and select the next item for which you are applying and complete the screens again.

- Please Select the [SOI Home] on the left hand navigation menu.

11.4 Summary and Submit

- **IMPORTANT NOTE**: Please make certain you have applied for all items and have them completed in their entirety before submitting your SOI application. You <mark>will not be allowed</mark> to submit the application multiple times. After submittal, you will not be able to edit the SOI application. Please make certain your SOI has been submitted before the SOI due date. Once the EPAS System Date/Time has surpassed the SOI Due Date + Submission time, you **will no longer be able to submit** the SOI for this item. It is the firms' responsibility to make certain everything is submitted by the due date, **NO EXCEPTIONS** will be made.

Summary and Submit Screen
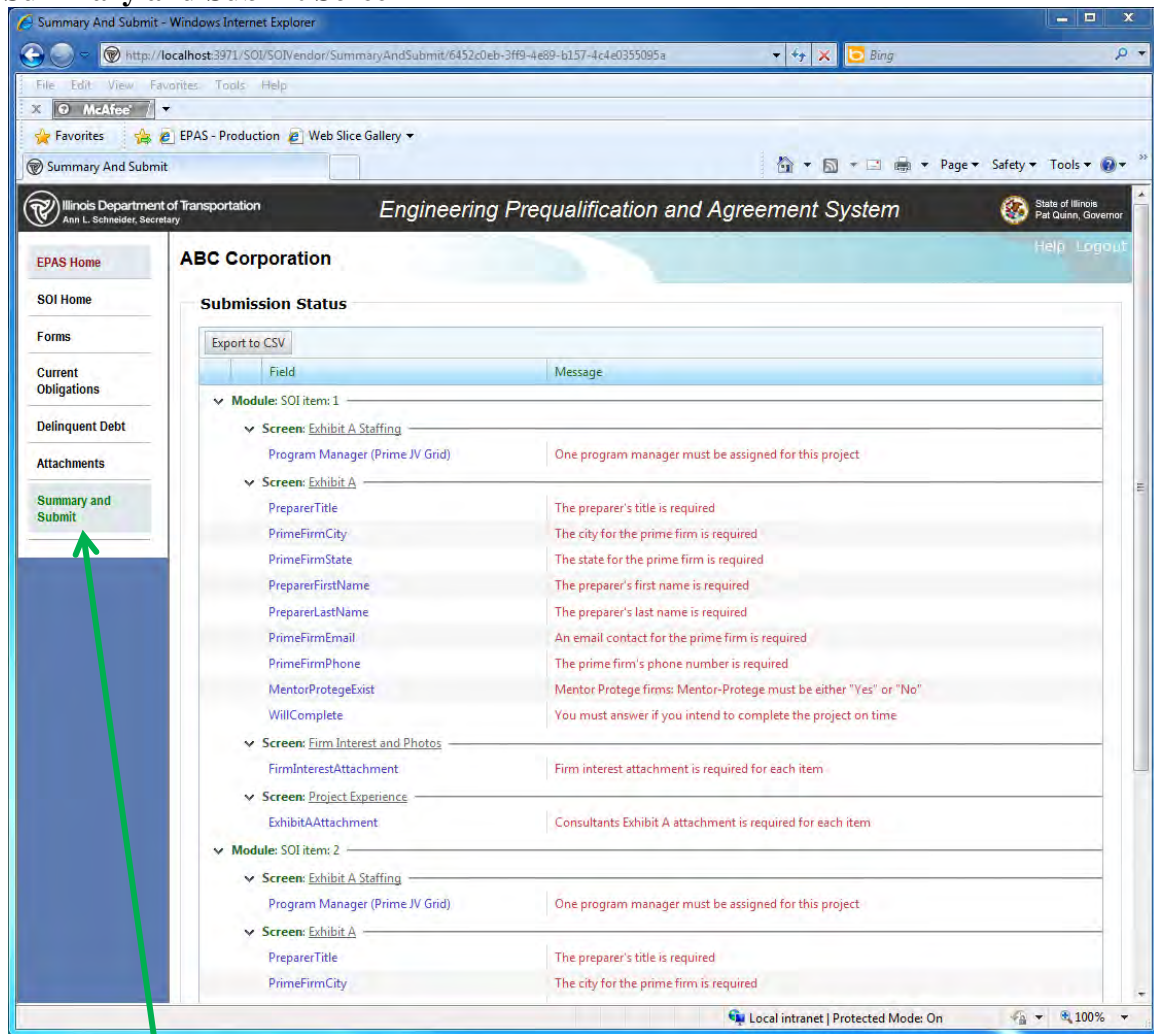

- If you are ready to submit your SOI application to IDOT, Select the

  Summary and Submit

  on the left hand navigation menu. This screen will display all required information that has not been answered and is required by IDOT in order for you to submit.
- By Selecting the various hyperlinks (depicted above as an underlined screen name), the system will take you to the appropriate page to fix the errors.
- You can Select the **Export to CSV** button to list the errors in a document and print it out.
- Once all errors are resolved, the check box – "Under the login ID used for this submittal …." will be enabled. Check this acknowledgement box and the **Submit** button will be enabled.

- Select the [Submit] button to submit you SOI application to IDOT. A message box will be displayed to inform you that after submittal you will not be able to edit the SOI application. Please make certain that all the information is accurate before submitting.

Once the submittal process has been completed, IDOT will start the review process. Please check periodically in EPAS because if we need additional information, a form revised and resubmitted for example, it will be resubmitted via EPAS. The firm will only be able to revise and resubmit the information requested. If a signature is missing on Exhibit A, a missing Delinquent Debt form for a subconsultant or the Disclosure Form A and B were not completed in their entirety only that document can be revised and resubmitted.

12 Adding Multiple User(s) to your Company

User Administration
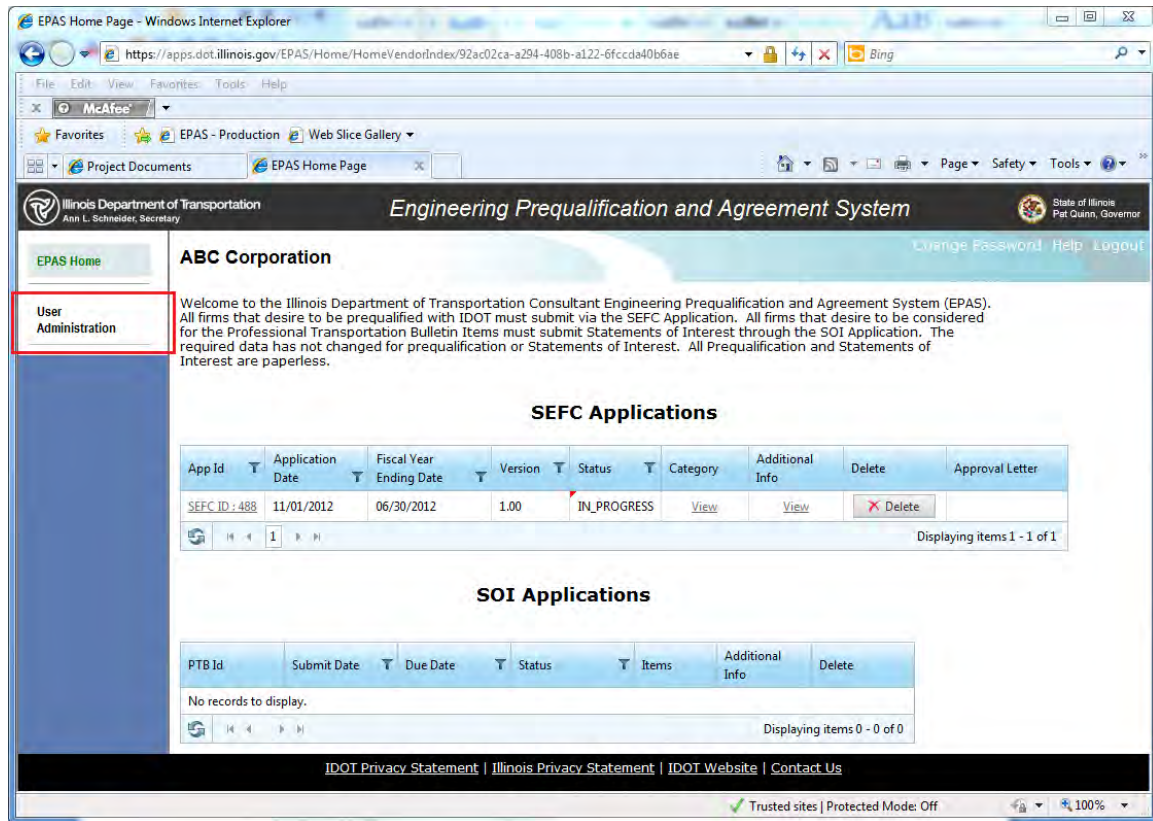

- IDOT creates <u>***one***</u> user name based on the firm name and TIN. The firm is responsible for all other users created and IDOT cannot modify these. It is the firm's responsibility to maintain users created by the firm. IDOT will only reset passwords.
- You will be able to add multiple users within your company to enter data into the SEFC application.
- Select the *User Administration* menu depicted in the red box in the screen above.
- The following screen will be displayed.

User Administration Screen
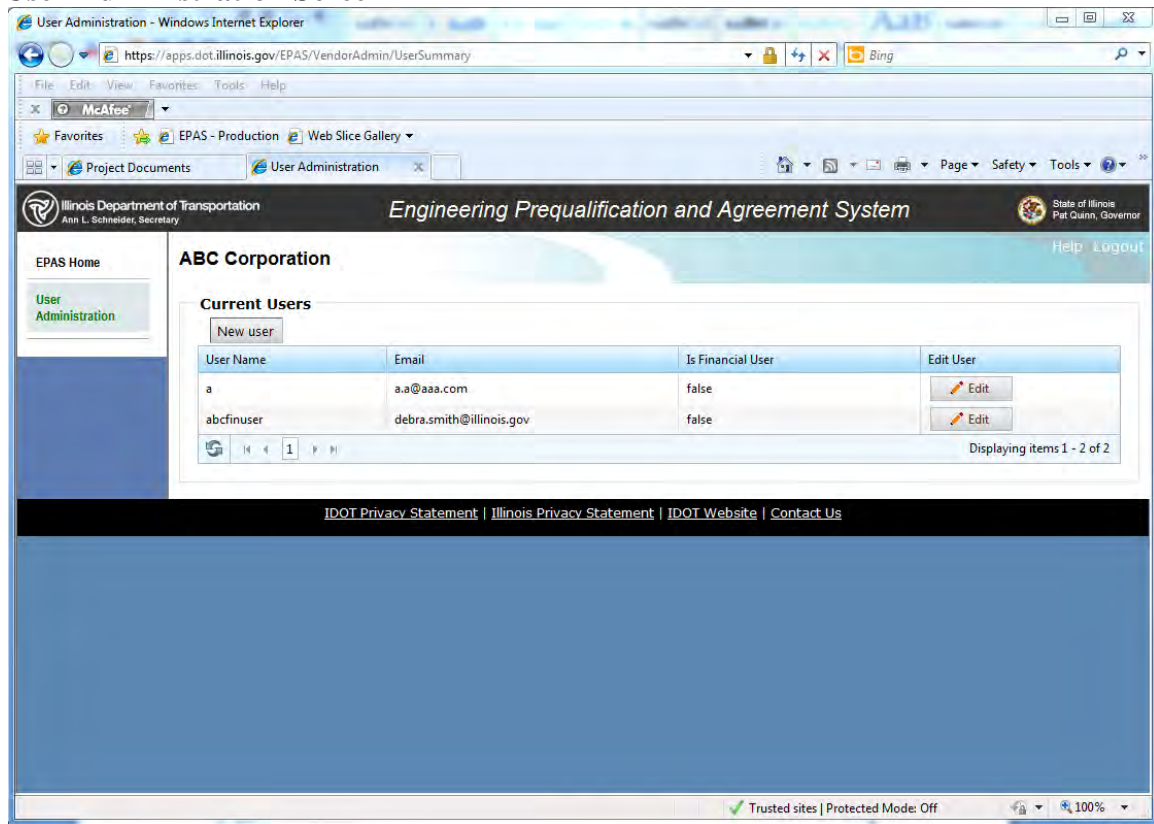

- Select the *New User* button and the screen below will be displayed.

Create System User Screen

- To create a user that can view financial data – check the *IsFinancialUser* check box. If the checkbox is not checked, the user created will not be able to see the financial data of the company.
- Select *Save and return* button. This will display the list of users that you have added.
- Select the *Return to User Administration* button if you don't want to save your changes and return to the list of users.

13 Reports

Select reports:

- Select Run

- Insert Dates and Select View Report:
- The following report is displayed. It will give you an overview of the use of your firm's account.

14.1 Forgot Password
*If you forg*et your password, follow the instructions below.

Login Screen

- Select the *here* link as depicted on the red box highlighted above.
- The following screen will be displayed.

Password Reset Screen

- Enter your user name.
- Select the *Password Reset* button.
- The following screen will be displayed.

Password Reset Success Notification Message Screen
- An email will be sent to you as depicted below.
- Logon to the system using the new password.

Reset Email
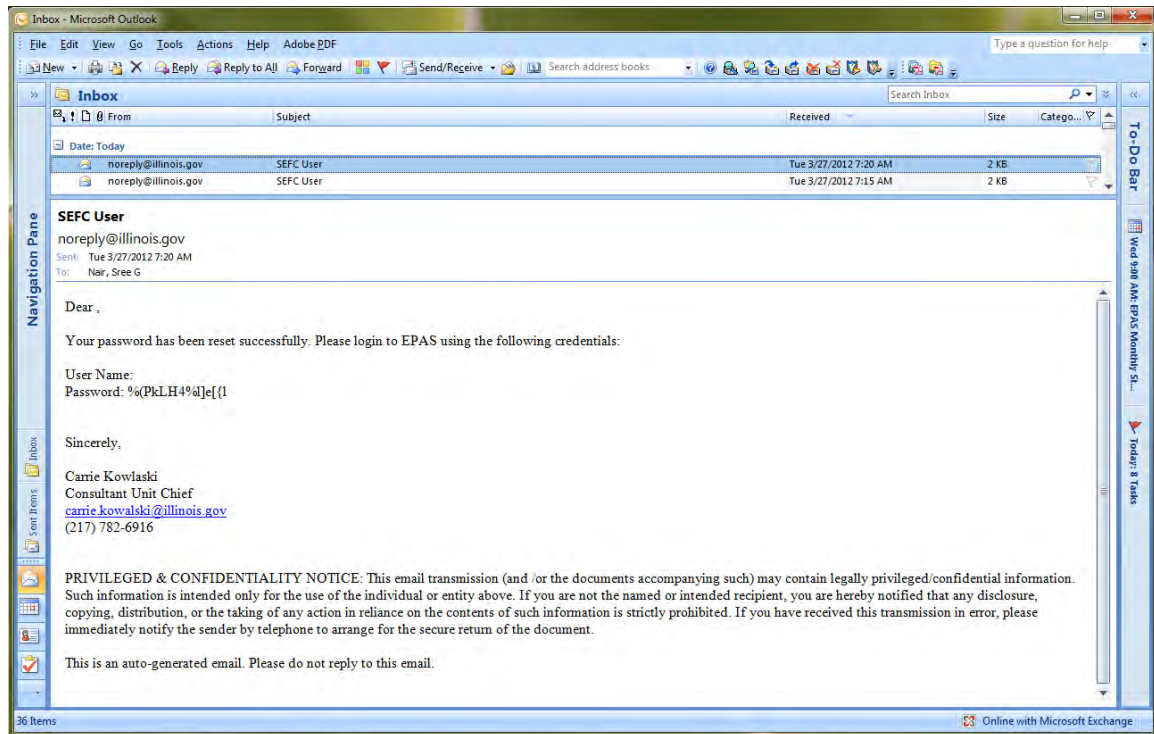

14.2 Login Failure

You will be locked out from the system if you have 3 consecutive login failures. To reset your password follow the instructions below.

Password Lock-Out Screen
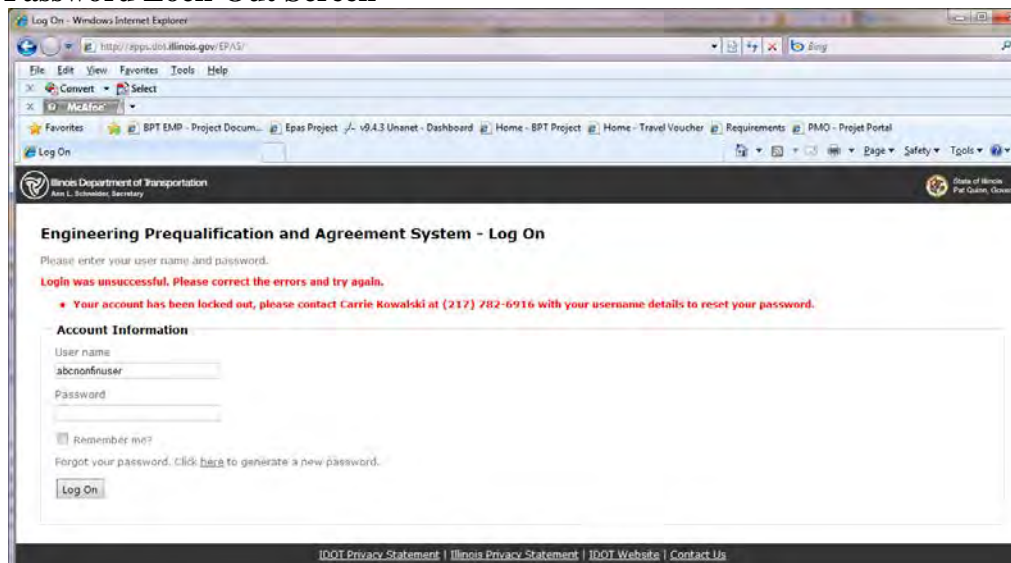

- The above screen will appear.
- Call the contact information stated on the screen and provide the user name that you use to log in to EPAS as well as the company name. The TIN number may also be required so please have this handy. You can also e-mail Carrie.Kowalski@illinois.gov with company name and user ID that needs the password reset.
- The contact person will reset your password and you will receive an email similar to the one below. IDOT cannot give passwords to anyone other than to the e-mail address provided by the firm in the system.

Reset Email
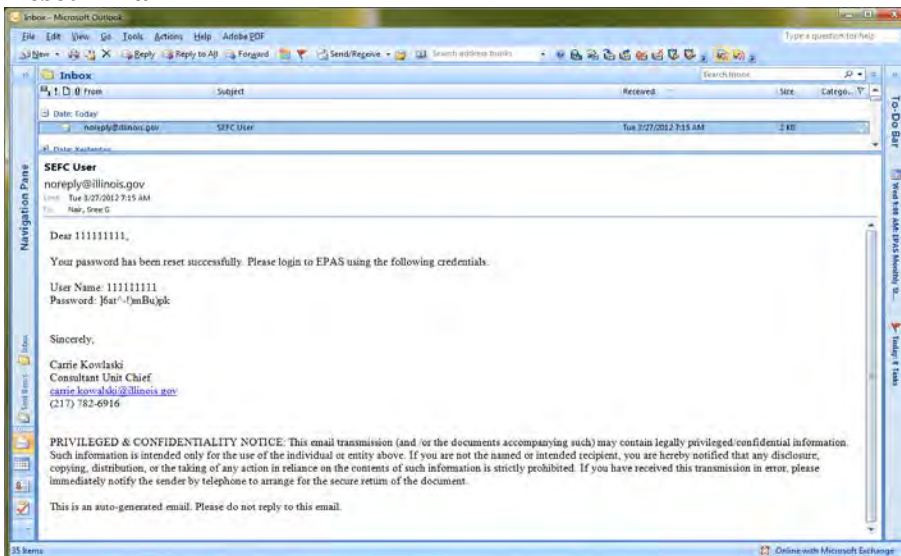

- Login to the EPAS system with your user name and the new password supplied in the email. Copying and pasting the e-mail is suggested.

14.3 Change Password

To change your password, follow the instructions below.

SEFC List Screen
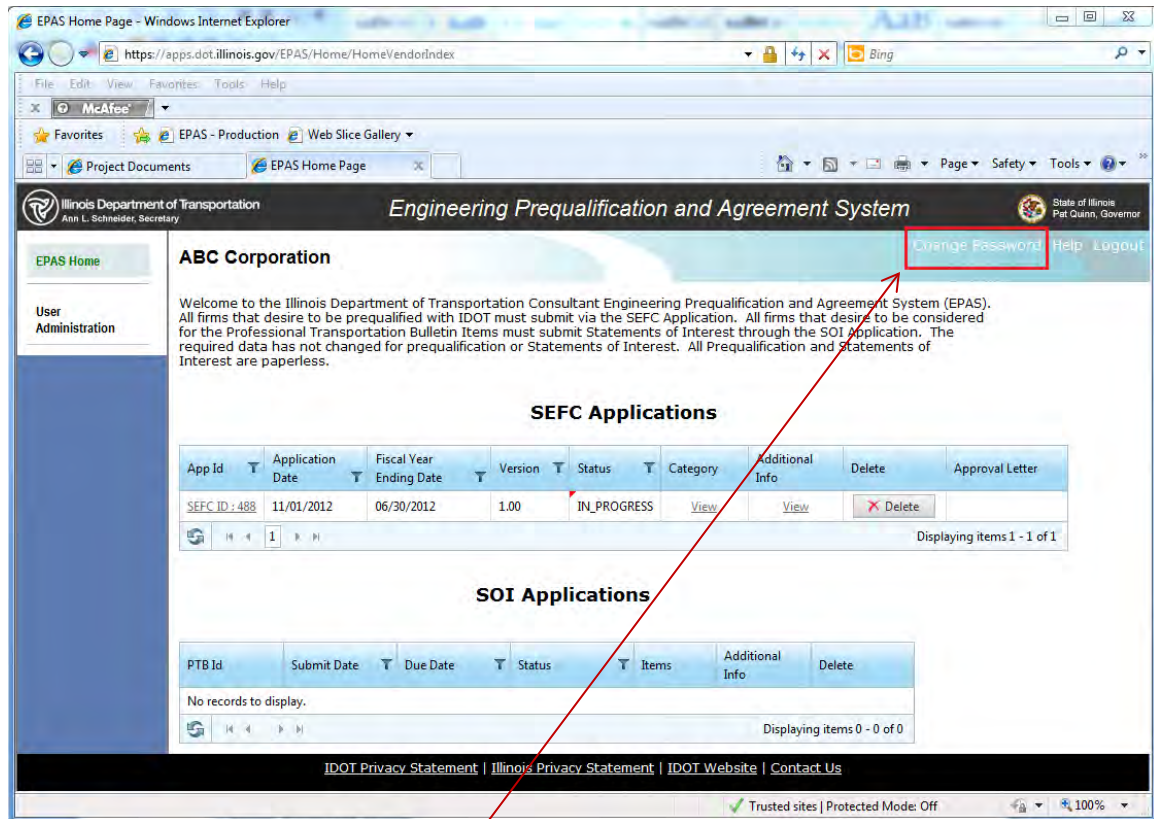

- Select the Change Password link on the EPAS Home screen, after you first log in.

- The following screen will appear.

Change Password Screen

- Enter your User Name – This will be the same user name that you entered in the login screen (if you entered your TIN #, then reenter the TIN #)
- Enter the current password – This will be the password you entered on the login page
- Enter your New password and Confirm your new password.
- Enter your Email address if it is not shown or if it is different than the one shown, as this email will be utilized by IDOT to send you password reset notifications.

NOTE: the Vendor Document Site and EPAS Application are NOT the same. They are different systems.

15 Environmental Prequalification Instructions

Review the Description and Minimum Requirements for current applicable criteria for prequalification in **Environmental Assessment (EA)** and **Environmental Impact Statements (EIS)**: http://www.dot.il.gov/desenv/preqcons.html

All firms requesting prequalification for EA or EIS must complete the corresponding EPAS Environmental Questionnaire <u>and</u> must include required credentials for all completed NEPA documents and training courses.

<u>**BEFORE YOU BEGIN**</u>: Please note that all members of your firm's staff AND any subconsultants employed by other firms you plan to assign for any of the environmental disciplines must FIRST be entered as "NEW STAFF" on the Corporate Profile/Staff screen shown below.

(The following examples illustrate EPAS screens that must be completed and may be used as guidelines.)

<u>Corporate Profile/Staff Screen</u>

<u>Staff Information Screen</u>

For <u>in house staff</u>, enter all Staff Information as shown in this Manual under "Create Staffing."

For Environmental Staffing being used from another firm.

If you intend to use one or more <mark>subconsultants</mark> to meet the required environmental disciplines, the Staff Information for these persons MUST be completed as shown next. Failure to properly include the CONSULTING FIRM NAME for subconsultants will result in your submittal being denied.

Responses to the 2 boxes above outlined in **RED** are used to confirm whether or not the person is a subconsultant. If so, you <mark>MUST</mark> respond YES to "Is Consultant" and you <mark>MUST</mark> also complete the next box indicating the <mark>CONSULTING FIRM NAME</mark> by whom the person is employed. If the CONSULTING FIRM NAME is not included at this location, your firm will be <mark>DENIED</mark> prequalification for EA and/or EIS.

The portion outlined in **Blue** refers to the first year and total number of years this person has been employed by their current firm, not the amount of time for the prime. .

If the person's specific job classification and salary range are known, they should be included in the **Green** portion; otherwise, complete as shown above.

Training classes (circled in **Red**) should include all NEPA training and other courses applicable to the person's specialty or assigned discipline. (Both recommended and required training courses are listed in the Description and Minimum Requirements for Prequalification: http://www.dot.il.gov/desenv/preqcons.html.) Certificates of Completion MUST be attached in order to receive credit for training classes (i.e., documentation of required Noise training is mandatory for all persons requesting prequalification for that discipline).

Transportation Related Experience (circled in **Blue**) is used to indicate the person's total number of years of transportation related experience (employment) with their present firm, in their present position, and their number of years with other firms. (If no previous employing firms, enter 0.)

In the **Education** category, if you answer YES to the "affiliated with or employed by another firm" question (in **Red**), additional brief details about the firm or your involvement should be included, as shown in this example (Note limited to 100 Characters).

==Resumes==

Information supplied in a person's **Resume** (in **Blue**) will be analyzed by IDOT environmental specialists to determine if it reflects all requirements for the person's assigned discipline(s).   In addition, a higher level of NEPA experience is required to be prequalified at the EIS level.

==It is essential that resumes for all persons requesting Environmental prequalification in any capacity and for any assignment thoroughly detail their educational background, training and experience RELATIVE TO THEIR DESIGNATED ENVIRONMENTAL DISCIPLINE(S) OR ASSIGNMENTS.==   To demonstrate their level of expertise, all highway-related NEPA experience should be specified. (Example: A Noise specialist's resume should thoroughly explain their highway noise-related assignments and identify specific projects on which they worked. Certificates of Completion for required Highway Traffic Noise Fundamentals & TNM Computer Modeling courses must be attached.)

After all, NEW STAFF (including subconsultants') names have been entered and their Staff Information is completed, you may begin the **Environmental Questionnaire** shown below. (Note: Your EPAS submittal must indicate if you are requesting prequalification for **EA only** or for **BOTH EA and EIS.** If requesting **BOTH** categories, you must complete both the EA and EIS Questionnaires.)

The first category on both Environmental Questionnaires (for EA and for EIS) is ==Environmental Lead(s).==

Environmental Questionnaire

Environmental Lead(s)

Begin the Questionnaire by selecting the name of the first person assigned as an Environmental Lead.

Next, click to add that person's **Staff Experience**.

Staff Experience

* Year completed:	--Please Select-- ▼
* Route/Location:	
Project Name	
▬▬▬▬ Employing Firm for this project:	
NEPA Document Type:	
Sponsoring Agency:	
County/State:	
Contact Person at Sponsoring Agency (Name/phone/Email):	
Date Document Signed by FHWA:	▦

Use the **Staff Experience** section to detail specific NEPA documents for which the person served as the Environmental Lead. (Note: Only one person is eligible for credit as Lead of a document.) "Employing Firm for this project" will indicate whether the submitting <u>firm</u> is also eligible for credit. (If the Lead was employed by <u>another firm</u> at the time, only that firm may receive Firm experience credit.) **The Date Document Signed by FHWA MUST be completed.** (Refer to book marks to learn how to use the calendar.) No credit is allowed for incomplete documents OR documents without proper documentation included.

*(Note: This project is also included under <u>Firm Experience.</u>)

Description of Project:

* Provide an overall/general description of project,should be concise:
(text unlimited)

Description of **YOUR** responsibilities and involvement with this project, to illustrate your expertise in the requested category [Environmental Lead or specific discipline(s)]:

* Scope of project:
(Only list specifically the services the firm provided that are applicable to this category)
Text is limited to a maximum of 1200 characters.)

The Description of Project should be concise and specific as to the firm's work/responsibilities involved, including the nature & extent of environmental work. If the same <u>Staff or Lead Experience</u> project is also being submitted as Firm Experience, please note as indicated in the Description of Project.*

Use the box below the Description of Project to explain <u>YOUR SPECIFIC ROLE AND RESPONSIBILITIES</u>, either as the Lead or for a specific discipline on this project. (Do not repeat the Project Description data in this space or include [i.e., cut & paste] another staff person's responsibilities in this space.)

EIS List of Preparers

EIS LIST OF PREPARERS.pdf

Select...

Finally, attach required signature page, FONSI or List of Preparers for the document. Repeat this process for each document completed by this Environmental Lead in the past 10 years and for any other Environmental Leads being proposed.
<mark>Environmental Staff(s) – Community Impacts</mark>
Select the name of the first person being proposed for Community Impacts.

Next, click to add the person's Staff Experience related to Community Impacts, including specific NEPA documents on which they worked. Describe their responsibilities and involvement with each project to illustrate their expertise in the category of Community Impacts.

<u>Repeat this process</u> for each person being proposed for Community Impacts, Ecology, Water, Public Involvement, and Technical Writing.

When all staff data is complete, the remaining category is used to document your <mark><u>FIRM EXPERIENCE.</u></mark>

<mark>Firm Experience:</mark>

IDOT considers both Firm experience and individual staff experience in determining Environmental prequalification. This section is for projects completed by your <u>firm</u>. The Environmental Lead's name and the Date Document Signed by FHWA must be completed. (Refer to book marks to learn how to use the calendar.) No credit can be given for incomplete documents. The Description of Project should be concise and specific as to the firm's work/responsibilities involved, including the nature and extent of environmental work. Note: If the same <u>Firm Experience</u> project is also being submitted as <u>Environmental Lead</u> or <u>Staff Experience</u>, please note as indicated in the Description of Project.

Once all project data has been completed and saved, attach the required documentation (Signed Cover Page, FONSI, EIS List of Preparers) in PDF format.

Firm Experience for Environmental Consultants

* Year completed: --Please Select--

Project Name

PTB Item #/Project Name:

Proposed realignnment of IL XX on exisitng and new alignment, with proposed bike path and drainage corrections.

Firm was responsbile for the Final Environmental Assessement, including cultural resouce analysis, parks & recreation resources, Sectin 106 analysis, & Section 4(f) documentation for the M-15 EIS. Alternative anaysis, community impacts, agency coordination and QA/QC was provided for the signed documents.

If a firm is applying for EIS and EA, both questionnaires must be completed. If there is duplicate information, the statement above is suggested for inclusion.

16 FAQ

This section lists some of the frequently asked questions regarding the system.

Q. How do I access the new EPAS application?
A.   The EPAS system link will be accessible the same place where you used to access the Statement of Experience and Financial Condition form. The following link (http://www.dot.il.gov/desenv/preqcons.html) will take you to the Consultant Prequalification page on the IDOT Internet. From this page you will see the Engineering Prequalification and Agreement System (EPAS) link. Selecting the EPAS link will display the EPAS Login page. Enter your user name and password to access the system.

Q. How am I notified of changes for prequalification and statement of interest submittals?
A. Notifications are done in several ways. There is a News Link on EPAS, which contains pertinent information for Consultants. The Professional Transportation Bulletin contains a New Notices Section, and the BDE Consultant Subscription Server is used for mass e-mailing consultant firms.   http://www.dot.il.gov/desenv/ptbsubsc.html

Q. Can I print my application?
A. There is **not** a print option for the application. You can do screen prints.

Q. How do I know when to submit my SEFC for renewal?
A. Go to EPAS and select Help. There is a SEFC Instruction Link. The location has a table with the application times. (see page 6 of the manual) NOTE: all firms are required to renew on an annual basis, which is based on the firm's fiscal year. Firms are then given 6 months from their FY end date to submit the SEFC application.   Firm's not submitting by the due date will be marked as not approved. An e-mail is sent to the firm (e-mail used is in the password creation (page 5) notifying them that a New SEFC is required and that the firm is not approved.

Q. What is the difference between New SEFC, Renew SEFC and Amend?
A.
- New SEFC: is for first time applicants and for firm's that are required to submit the entire SEFC, staffing, prequalification questionnaires, and corporate & financial data.
- Renew SEFC: is for currently prequalified firms that are required to submit the corporate and financial data for renewal.
- Amend: is to update an existing SEFC with partial changes, such as a staff update, requesting a new category, updating insurance.

Q. When do I update my insurance?
A. It is the firm's responsibility to keep the insurance amounts and expiration dates current. This is done by doing an Amend to the existing SEFC application. There is not a place to upload a certificate. All insurance types, amounts, expiration dates are entered in EPAS under Corporate Details.

Q. Can I bookmark a page from the application and retrieve it later from my favorites?
A. No. Please do not bookmark a page from the application. Always logout of the system before you leave. Remember to save your work before you exit the application.

Q. What does it mean when I get the following message?
"We regret that this error occurred. In order to help us debug the problem, please document what you were doing just prior to the error and submit it to the following email address listed below. Please include your name and contact information such as phone number and/or email address, just in case we need to get further information from you....."
A. If you received the above error, it means there was a system error. Please help us by sending detail documentation on what you did prior to the error. The more detail you provide will help us fix the problem quicker and provide you with a better experience of the system.

Q. Do we receive emails from the EPAS System?
A. Yes. The emails that you receive from EPAS will originate from noreply@illinois.gov. Please do not ignore this email. You will receive email from this address for the following reasons: Password Reset, Additional Information Required for SEFC, New EPAS Account Information. **Please do not respond to these emails.**

Q. What are the password requirements?
A. Password must be at least three of the following four character groups and must be a length of 7 or greater
   o English uppercase characters (A through Z);
   o English lowercase characters (a through z);
   o Numerals (0 through 9);
   o Non-alphabetic characters (!, $, #, %, @, &, *, ~)

Q. What is session timeout?
A. Most web-based applications have a session timeout for security purposes when you have left the application idle (not doing any work on it for some period of time – 10 minutes or so). Please logout of the system if you are not going to be working on it for some time to protect your information. You might also get a system error when you leave your system idle and enter data on your return. When this situation arises, please logout of the system and logon again to resume

Q. What happened to the Joint Venture option?
A. The Joint Venture option is now called Teaming. All the requirements for JV are still the same; the name only has been revised

Q. What is the AFC field?
A. The AFC is the firm's annual fee capacity. IDOT completes this field based on the staff the firm has included in the SEFC. See BDE Manual, Chapter 8 section 2.02 Prequalification of Consultants for additional detail.
